Reference: Communication of the National Agency of 17 January 2020

Dear Prof BUKARICA,

Please be informed that your institution "Academy for Applied Studies Belgrade" is attributed with transitory accreditation in accordance with the procedure established by the European Commission and the Executive Agency.

The decision has been taken following your request transmitted to us by your National Agency.

The Erasmus Code attributed to your institution is **RS BELGRAD20**

This transitory accreditation entitles your institution to complete any on-going projects in decentralised Erasmus actions. It also allows you to apply for new funding either in the Erasmus+ decentralised actions for the academic year 2019-2020 or in the centralised actions managed by the Executive Agency, until 31 October 2020.

Please note that you will have to apply for award of the Erasmus Charter for Higher Education during the first available call for proposals which will be published in February 2020. For further information, please regularly consult the ECHE webpage:
